

Créawine

Wine and blending workshop

Become an oenologist for a day: create your own wine!

Learn the different characteristics of the Bordeaux grape varieties, add, smell, repeat. You will leave with your own unique wine!

PROGRAMME

Learn how to look, smell and taste wine. Get to know the characteristics of the grape varieties.
Try various blendings and leave with a bottle of your favourite one !

2h - 3 wines
Château Vieux Mournac

Laetitia - wine grower and tutor in CIVB Wine School, drawing on her University Degree in Wine Tasting Expertise and her many years abroad as a sommelier, she is going to guide you in wine universe and the art of wine tasting.

"Offered for my birthday, this workshop was very useful for me. Laetitia passed on her knowledge of Bordeaux wines to us without restraint in a warm and friendly atmosphere. I recommend it!"

Laurent, 47 years old, Doctor
